The lifecycle configuration was updated. Lifecycle rule "Demo-LifeCycleRule" was successfully added. It may take some time for the configuration to be updated. Press the refresh button if changes to the rule are not displayed.

Amazon S3 Buckets demovenusbucket Lifecycle configuration

### Lifecycle configuration

To manage your objects so that they are stored cost effectively throughout their lifecycle, configure their lifecycle. A lifecycle configuration is a set of rules that define actions that Amazon S3 applies to a group of objects. Lifecycle rules run once per day.
